We are heading into the 4<sup>th</sup> quarter of 2020, which is a good time to reflect on what you had wanted to accomplish this year, evaluate how much progress you have made, and create a planned course of action to ensure you finish strong.

Ensure the goals you have set are truly goals and not simply tasks. A task is work that needs to be completed. A goal is something that makes you feel proud and fulfilled upon accomplishment.

A goal should  
scare you a little,  
& excite you A LOT.
